Subject: 2 Stinkhout Avenue: Abandoned house

Good day.

I have attached images of an abandoned house at 2 Stinkhout Avenue. It has been more than 3 years that no additional building has been done. Illegal squatters have been living there within these years, including drug addicts. I have spoken to the owner several times who resides in Brits. The last time I spoke to him I asked him to lay a charge at Brits Police station to get these squatters out in order for me to take photos. This house is a sore eye to residents nearby and the grass are never cut. I need to know whether this owner has buikding plans and/or is the building being done according to standard.

Kind Regards

CLlr Lindy Maritz
