Please read attached messages between Mangaliso and Cllr. Lindy Maritz

- Painting Speed humps (2023-January 2025, February 2025, March 2025, April 2025, May 2025, June 2025, July 2025, August 2025, September 2025, October 2025, November 2025, December 2025) – Still waiting for feedback from MMC.

AfriForum will be receiving paint and will also donate paint to Ward 14 for the purpose of painting the speed humps. (October 2025)

Several speed humps were painted this month (see attached); consequently, this item will be removed from the list of unresolved matters.

- Upgrade of the municipal swimming pool ward 14 (2023-January 2025, February 2025, March 2025, April 2025, May 2025, June 2025, July 2025, August 2025, September 2025, October 2025, November 2025, December 2025) This matter still waiting for reasons from the MM, after all the e-mails that was sent.

Please see e-mail attachments.

- 2 Stinkhout Avenue Fochville (2023-January 2025, February 2025, March 2025, April 2025, May 2025, June 2025, July 2025 August 2025, September 2025, October 2025, November 2025, December 2025) – A new number and e-mail was sent Z. - Ward 14 Committee feedback from reports. (2023-January 2025, February 2025, March 2025, April 2025, May 2025, June 2025, July 2025 August 2025, September 2025, October 2025, November 2025, December 2025)

Mr. Nieuwoudt has sent an email to the MM concerning the reports for Ward 14. **There has not yet been a response from Merafong.**

Please see e-mail attached

- R500 Streetlights Provincial Road. (2023-January 2025, February 2025, March 2025, April 2025, May 2025, June 2025, July 2025 August 2025, September 2025, October 2025, November 2025, December 2025) -
- Municipal Accounts (2023-January 2025, February 2025, March 2025, April 2025, May 2025, June 2025, July 2025 August 2025, September 2025, October 2025, November 2025, December 2025)

Billing issues persist in Fochville; the ongoing water crisis has resulted in inaccurate and disproportionately high account charges. Due to the lack of water supply in Ward 14 and Fochville, water meters continue to register usage, resulting in unusually high readings for these areas. Consequently, residents are being charged for water they have not received or used. Air is likely present in the water pipes, which may cause the water meter to register flow unnecessarily.

Please see e-mail attached

- Portfolio Human Settlement and Land Development – (email sent September 2025, October 2025, November 2025, December 2025)
- Mr. Nieuwoudt replied that he has received the email back form the MM regarding the e mail he sent in September 2025. Please see the reply back form MM under Human Settlement and Land Development Portfolio. Mr. Tebele has responded to the photos that were emailed to him. Out of the 26 photos sent, he provided feedback on only 16, noting issues such as missing building plans, among others. He did not respond to our request for comment on our photo's. Keurboom 65 is the only property on our list that meets the specified criteria. He included five properties that were not on our list. This matter will be attended to in January 2026 meeting.
- Mr. Nieuwoudt requested a review of the payment figures for Ward 14, as last month's numbers were low, and these months are even lower. It remains at 34% (It is recommended that Cllr. Lindy obtains a

report to verify the accuracy of these figures.) The primary reason for this recommendation is that Ward 14 was consistently, or nearly always, at full capacity. The figures do not appear to be accurate. Cllr. Lindy needs to write a letter concerning this matter.

Councillor Lindy prepared a printed summary of the payment figures for presentation to the ward committee as requested. However, these figures do not align with those recorded by Mr. Nieuwoudt. (see attached) Mr. Brits inquired about who has access to this information, expressing concern about changes to the figures and their implications should there be a court case. Mr. Nieuwoudt clarified that the Provincial Treasury and the Manager reporting from the council are maintaining the accurate figures. Councillor Lindy will request assistance from Councillor Blackie in obtaining the accurate figures. This issue will remain under Matters Arising until it has been resolved. Please see e-mail attached

- **Equitable shares – Deputy Minister of Finance (December 2025) to Rand Water –**
Councillor Lindy addressed this issue, stating that the Minister will allocate 50% of the equitable shares to Rand Water in December 2025. Mr. Nieuwoudt has inquired whether an agreement was established between Rand Water and Merafong. Councillor Lindy indicated that an agreement exists between the parties, and she will determine whether it is possible to obtain a copy of this agreement. Mr. Nieuwoudt has requested clarification from Rand Water regarding the pressure level at which the water will be supplied upon receipt of the payment. Councillor Lindy stated that Rand Water restored water pressure previously; however, when Merafong failed to make payment, Rand Water subsequently suspended the water supply. Mr. Brits outlined to Councillor Lindy the key points of the agreement between the parties, emphasising that these documents will be particularly important should the matter proceed to court.

7.2.2 IDP meeting 18th of November 2025 (03rd of December 2025)

Mr. Nieuwoudt requested that Councillor Lindy follow up on this matter. It was indicated that the meeting would be minutes, and we would appreciate receiving a copy of the minutes from the session held on 18th November 2025. Additionally, Mr. Nieuwoudt noted that a quorum of ward members was not present at the meeting.

They also requested a mandate for discussion. Mr. Nieuwoudt clarified the points raised during the meeting and inquired about the public meeting that was mentioned for 03rd December. Mr. Nieuwoudt sent a WhatsApp

message to Ms. Eveline regarding this matter, and she confirmed that there will not be an IDP meeting in Fochville on December 3rd, as previously stated in the November 18th meeting.

Mr. Nieuwoudt stated that we submit our portfolios monthly, ensuring that every issue encountered in the ward is documented.

7.2.3 The Initiation School – Gert van Rensburg stadium.

Councillor Lindy has been receiving public complaints for over a year regarding the initiation school located behind Gert van Rensburg Stadium, and this issue is increasingly becoming a significant concern.

The complaint concerns stolen cattle, property vandalism, children found unclothed in unauthorized areas, and threats made against farmers.

Councillor Lindy and other stakeholders held a meeting with the initiation leaders, which unfortunately escalated into violence. The meeting was adjourned, and a new date was scheduled.

Several concerns were raised about ambiguity in the area.

The issue of alcohol consumption is a significant concern.

Councillor Lindy contacted Mr. Tume from the district but was unable to obtain assistance.

The meeting was attended by Councillors, a representative from the Town Planning Department, Gota, a representative from Parks, and a representative of the Initiation School.

This issue is significant and requires prompt resolution.

Mr. Cornè van der Merwe stated that the CPF previously held monthly meetings, during which no issues arose with the initiation school; however, these meetings have since ceased.

Councillor Lindy stated that this matter should be deferred until 16th January 2026.

Councillor Lindy had several points to address concerning the registration, among other related matters.

7.2.4 Nasional Dialogue that will be help on ward level.

Mr. Nieuwoudt recently raised a question regarding this matter. He noted that the initial phase of the National Dialogue has already been completed, and it was agreed during the process that consultations at the ward level would occur for each ward. Accordingly, Mr. Nieuwoudt inquired about who will be leading this process—whether it will be managed by the Speaker's office or through the respective ward councillors—and on what basis it will be conducted.

Councillor Lindy stated that she will investigate the matter, though she is currently not aware of any details regarding this issue.

- Portfolio Human Settlement and Land Development – (email sent September 2025, October 2025, November 2025, December 2025)
- Mr. Nieuwoudt replied that he has received the email back form the MM regarding the e mail he sent in September 2025. Please see the reply back form MM under Human Settlement and Land Development Portfolio. Mr. Tebele has responded to the photos that were emailed to him. Out of the 26 photos sent, he provided feedback on only 16, noting issues such as missing building plans, among others. He did not respond to our request for comment on our photo's. Keurboom 65 is the only property on our list that meets the specified criteria. He included five properties that were not on our list. This matter will be attended to in January 2026 meeting.
- Mr. Nieuwoudt requested a review of the payment figures for Ward 14, as last month's numbers were low, and these months are even lower. It remains at 34% (It is recommended that Cllr. Lindy obtains a report to verify the accuracy of these figures.) The primary reason for this recommendation is that Ward 14 was consistently, or nearly always, at full capacity. The figures do not appear to be accurate. Cllr. Lindy needs to write a letter concerning this matter.
Councillor Lindy prepared a printed summary of the payment figures for presentation to the ward committee as requested. However, these figures do not align with those recorded by Mr. Nieuwoudt. (see attached) Mr. Brits inquired about who has access to this information, expressing concern about changes to the figures and

their implications should there be a court case. Mr. Nieuwoudt clarified that the Provincial Treasury and the Manager reporting from the council are maintaining the accurate figures. Councillor Lindy will request assistance from Councillor Blackie in obtaining the accurate figures. This issue will remain under Matters Arising until it has been resolved. Please see e-mail attached

- **Equitable shares – Deputy Minister of Finance (December 2025) to Rand Water –**
Councillor Lindy addressed this issue, stating that the Minister will allocate 50% of the equitable shares to Rand Water in December 2025. Mr. Nieuwoudt has inquired whether an agreement was established between Rand Water and Merafong. Councillor Lindy indicated that an agreement exists between the parties, and she will determine whether it is possible to obtain a copy of this agreement. Mr. Nieuwoudt has requested clarification from Rand Water regarding the pressure level at which the water will be supplied upon receipt of the payment. Councillor Lindy stated that Rand Water restored water pressure previously; however, when Merafong failed to make payment, Rand Water subsequently suspended the water supply. Mr. Brits outlined to Councillor Lindy the key points of the agreement between the parties, emphasising that these documents will be particularly important should the matter proceed to court.

IDP meeting 18th of November 2025 (03rd of December 2025)

Mr. Nieuwoudt requested that Councillor Lindy follow up on this matter. It was indicated that the meeting would be minutes, and we would appreciate receiving a copy of the minutes from the session held on 18th November 2025. Additionally, Mr. Nieuwoudt noted that a quorum of ward members was not present at the meeting.

They also requested a mandate for discussion. Mr. Nieuwoudt clarified the points raised during the meeting and inquired about the public meeting that was mentioned for 03rd December. Mr. Nieuwoudt sent a WhatsApp message to Ms. Eveline regarding this matter, and she confirmed that there will not be an IDP meeting in Fochville on December 3rd, as previously stated in the November 18th meeting.

Mr. Nieuwoudt stated that we submit our portfolios monthly, ensuring that every issue encountered in the ward is documented.

The Initiation School – Gert van Rensburg stadium.

Councillor Lindy has been receiving public complaints for over a year regarding the initiation school located behind Gert van Rensburg Stadium, and this issue is increasingly becoming a significant concern.

The complaint concerns stolen cattle, property vandalism, children found unclothed in unauthorized areas, and threats made against farmers.

Councillor Lindy and other stakeholders held a meeting with the initiation leaders, which unfortunately escalated into violence. The meeting was adjourned, and a new date was scheduled.

Several concerns were raised about ambiguity in the area.

The issue of alcohol consumption is a significant concern.

Councillor Lindy contacted Mr. Tume from the district but was unable to obtain assistance.

The meeting was attended by Councillors, a representative from the Town Planning Department, Gota, a representative from Parks, and a representative of the Initiation School.

This issue is significant and requires prompt resolution.

Mr. Cornè van der Merwe stated that the CPF previously held monthly meetings, during which no issues arose with the initiation school; however, these meetings have since ceased.

Councillor Lindy stated that this matter should be deferred until 16th January 2026.

Councillor Lindy had several points to address concerning the registration, among other related matters.

Nasional Dialogue that will be help on ward level.

Mr. Nieuwoudt recently raised a question regarding this matter. He noted that the initial phase of the National Dialogue has already been completed, and it was agreed during the process that consultations at the ward level would occur for each ward. Accordingly, Mr. Nieuwoudt inquired about who will be leading this process—whether it will be managed by the Speaker's office or through the respective ward councillors—and on what basis it will be conducted.

Councillor Lindy stated that she will investigate the matter, though she is currently not aware of any details regarding this issue.

To whom it may concern,

I sincerely apologise for not being able to attend the meeting. My mother is having an operation today, and I will need to be at Pinehaven Hospital to assist her, as there is no one else who can help her get to and from the hospital. I will also need to remain in Brits for a few days to take care of her post-operation. I trust you understand.

Warm regards,

Nadine Bouwer
