

# **REVENUE MANAGEMENT REPORT FOR THE MONTH OF OCTOBER 2025**

## 1. Purpose of the report

This report seeks to provide status on revenue management for the month of October 2025. The report gives details of collection, billing, and credit control and debt collection activities.

## 2. Legislative Background

Two primary Acts establish the legislative framework for credit control and debt collection within South African local government:

Local Government: Municipal Systems Act (Act 32 of 2000)

This Act, under Chapter 9, lays the groundwork for credit control and debt collection policies. It emphasizes the importance of municipalities collecting all revenue owed to them.

Municipal Finance Management Act (Act 56 of 2003)

This Act, specifically Section 62(f)(iii), mandates that municipalities establish and enforce a credit control and debt collection policy.

## 3. Key Performance Indicators (KPI)

- ❖ The collection rate for the month of October 2025 was 55%.
- ❖ The Net debtor days at the end of the month of October 2025 was 999 days.
- ❖ The Billing of the month of October 2025 was done on the 4<sup>th</sup> day of the following month in line with trying to achieve timeous monthly billing.

\*Below a breakdown of how the two KPI above are determined is provided.

### Collection rate calculation

	Aug-25	Sep-25	Oct-25	
	62.03%	57.00%	55.62%	
Gross Debtors closing balance	6,985,152,356	6,928,606,518	7,058,726,098

## 7. Meter Reading Perfomance

- ❖ A total 35 669 conventional meters were sent out to the meters readers to obtain meter readings for the purpose of finalising the monthly billing of October 2025.
- ❖ The total meters comprised of 30 914 water meters and 4 753 electricity meters.
- ❖ 3 773 electricity meters were successfully read and 980 meters could not be read.
- ❖ 20 926 water meters were successfully read and 9 988 meters that could not be read.

Various failure reasons for the meters that could not be read is provided in the tables below, a list of these meters have also been shared with the infrastructure department to assist in addressing issues hindering obtaining of meter reading.

Notices of contravention of section 28 of the credit control policy will be issued to all properties where readings could not be obtained due to access denied, gate locked and dogs preventing access to the property.

## 8. Pre-Paid Non-Purchases Analysis and TID Progress

20 193 prepaid meters out of a total population of 31 573 pre-paid meters were non-purchasing meters in the last 90 days. These meters are suspected to have been tampered, and a report of such meters has been provided to the electrical department for further investigation. The total non-purchasing meters represents 63% of the entire pre-paid meter population in the month of October 2025.

The number of non-purchasing meters declined by 3 048 meters from the previous months, this is due to the new energised meters in ext. 5 and 6 in khutsong.

In September 2025, 34 smart electricity pre-paid meters were installed in Khutsong ward 2 and their performance up to the end of October is reflected on the below table.

## **7. Challenges Faced**

- ❖ Access denied to meters
- ❖ Broken meters
- ❖ Network challenges
- ❖ High volumes of customers queries

## **8. RECOMMENDATIONS**

- i.) Maintenance and equipping of all our pay points to provide proper revenue support related services to our communities.
- ii.) Urgent prioritisation of replacement of all non-functional meters.
- iii.) For the electrical department to perform regular inspections on all meters flagged for non-purchasing.
- iv.) That the finance section 80 committee take cognisance of the revenue management report for the month of October 2025.
